

TREES FOR NEIGHBORHOODS

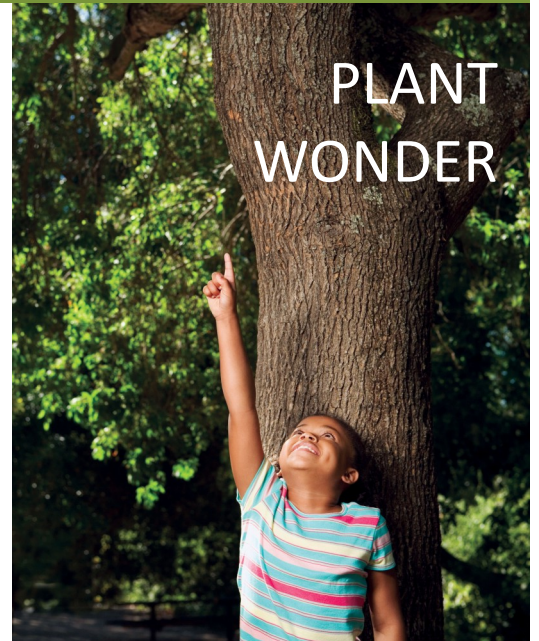

The Wonder of Trees

- Trees clean our air, making it easier to breathe
- Trees make our streets friendly to walk and bike
- Trees soak up rainwater, keeping our streams, lakes, and Puget Sound clean
- Trees calm traffic, helping to avoid accidents

Plant Your Own Tree!

With Trees for Neighborhoods, you receive:

- Free trees (up to 4 per household)
- A watering bag for each tree
- Training on proper tree planting and care
- Workshop opportunities on topics like young tree pruning
- Ongoing tree care reminders
